

YWAM's foundational values

YWAM International is based on 17 core values; these will be foundational for YWAM Aberdeen. We want to share these with you, so each newsletter will now contain a couple of values for you to read and get to know!

1. KNOW GOD

YWAM is committed to know God, His nature, His character and His ways. We seek to reflect who He is in every aspect of our lives and ministry. The automatic overflow of knowing and enjoying fellowship with God is a desire to share Him with others.

2. MAKE GOD KNOWN

YWAM is called to make God known throughout the whole world, and into every arena of society through evangelism, training and mercy ministries. We believe that salvation of souls should result in transformation of societies, thus obeying Jesus' command to make disciples of all nations.

Prayer Points

Stepping stones Oct 2006

As we begin our journey into married life, and a new ministry in Aberdeen, there are a few things that need to happen, stepping stones from our present into our future together.

Looking back:

- Turkey – 12 day outreach to Antalya, Turkey. Friendship evangelism, prayer ministry, intercession, worship leading.
- Aberdeen scouting trip – We went to Aberdeen for a week to pray around the city and meet as many of the local Christians as we could.
- Finishing work at the base – Deborah finished her work at the base, having been there for 5 years working in various departments! Her last assignment was bringing the Personnel Department up to date. Ian worked on his computer assignments, completing a wireless hotspot, webpage work and maintenance of the computers on base.

Wedding – the wedding is on 5th November!!!

Looking forward:

- Honeymoon – We are taking 3 weeks of a break after the wedding, staying in Scotland
- One month in a flat in West Kilbride.
- **January 07 – Moving to Aberdeen!!!** We have no house organised yet, all we know is Aberdeen and January, so we need God to provide! We will look concertedly once back from honeymoon.
- 11th Feb, we will be having a blessing in Ian's home church, St. Mary's, Ballybeen. This is a chance for us to share our wedding day with those who were unable to come to Scotland in November. They will also pray for us as we seek to build a strong foundation in our marriage

Path into missions : After University God started speaking to me about going to do a discipleship training school with YWAM. This was through people asking me what I was going to do after I finished Uni and being forced to think about it! I had a desire to go to YWAM because I wanted to know God more, in every area of my life. Once I had decided on YWAM, Scotland as a place to do my school, came very naturally.

Passion : I want people to know **Jesus**, and be **equipped** to live a life of victory in this world. I believe I am called to **disciple** and **father** people in **Scotland**, particularly in the inner cities. God wants **obedience** rather than a formula, relationship over duty, it is through these that God will use me to impact Aberdeen and Scotland.

Path to Missions: In the summer of 2000 I went on a Mission Trip with Grace Christian Center to Mexico. Later that year I met a girl at university who told me about Youth With A Mission (YWAM). In September 2001 I did a 6 month training school with YWAM, and after that there was no going back!!

Passions: God has given me a passion for the people of Scotland. They desperately need to know the love of God, and understand how valuable they are. I also have a heart for discipleship, worship, intercession, and for speaking the Truth. My greatest goal is to see the love of God break through, allowing people to be truly free in who He has made them to be, leaving their masks behind, and fully embracing a relationship with a loving Father.
